With this filing we are reducing rates for the farm truck program by 15% across the board, in light of continued favorable loss experience (Exhibit 1).

We are also introducing rates for cargo coverage (owned and non-owned) as shown on the table added to page R-1. In the rules portion of the filing we have expanded farm truck program eligibility to include insureds who haul non-owned farm goods no more than 30 days per calendar year. Cargo coverage will be offered to complement this expanded eligibility.

Development of the cargo rates is shown on Exhibit 2. The rates are based on commercial cargo rates, reduced to reflect a semi-annual term and reduced exposure (due to the 30 day per calendar year limitation).
